REALLY BIG "FINE PRINT"

Orders must be made through me, Megan Daves. This is a way for me to reward you for your continued loyalty of choosing me as your demonstrator. This offer is not through Stampin' Up!, so no need to contact them, they won't have any idea what you are talking about. You can't combine two \$15 orders into one circle. Whew - that's it! Let's get you some FREE stamps!
